*Premium Timber Products*

Deluxwood Pty Ltd is one of the largest wholesale manufacturers and worldwide distributors of quality wood based interior products.

***“Our mission is simple, to provide a great range of premium quality, inexpensive wholesale window and floor coverings”***

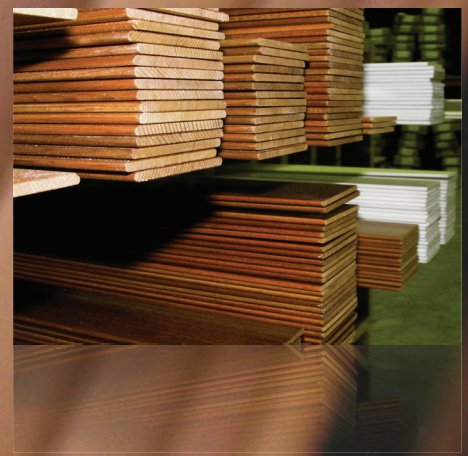

Deluxwood uses quality based wood products from around the globe. All Timber is sourced from environmentally responsible plantation grown timber.

**Basswood (Linden tree)** has a great hardwood finish with a pale tone and low grain factor making it a well suit material for painting and staining.

**Canadian Western Red Cedar**, is a soft red - brown timber valued for its distinct appearance, aroma, and its high natural resistance to decay.

**Australian Spotted Gum and Black Butt** richly coloured and beautifully grained, hard and durable timber, highly resistant to decay; makes it a great, for solid flooring and outdoor furniture.

**For a full range of Deluxwood products please contact us for more information.**
